**Rhino Basic – p.20** All Purpose, Cleanable and Durable

Rhino Basic Round Stool – p.22 Compact Durability, with or without Back

### TRITON MAX

**Triton Max – p.18** The Triton, 500lb Weight Capacity

Rhino Basic Sit / Stand – p.24 Ergonomic Support in Active Environments

## **Cramer Standard Terms & Conditions**

Med-Tech environments - laboratories, medical offices, hospitals and research facilities - demand seating solutions that meet rigorous technical standards and provide all-day support and comfort. Cramer engineers the highest guality lab-grade seating to address these sensitive environments while providing performance and peace of mind.

When you choose Cramer seating, you can expect:

#### • BUILT-TO-ORDER

Each chair is made to order, designed to your exact specifications.

#### SUPERIOR WARRANTIES

We invite you to compare. We think you'll agree – our 10-year and 15-year, three-shift warranties are simply the best in the industry.

#### CUSTOMER CARE

Our team is always available to offer information, assistance or advice. Call us. You'll be glad you did.

Authorized Dealers: Cramer works with authorized dealers to ensure the very best service and information. Call Cramer for an authorized dealer in your area. Possession of this price list does not constitute authority to sell products contained in this price list.

To Order: Please include the following with every order: purchase order number, quantity, model number, caster, upholstery and option code selection. To help us avoid errors, Cramer requires all purchase orders to be emailed, faxed or mailed. Your order is not considered binding until it has been accepted and acknowledged by Cramer.

Email: orders@cramerinc.com

Fax: 800.607.2821 Mail: 1523 Grand Blvd., Kansas City, MO 64108

Specials: Configurations not shown are subject to a \$50 net specials charge and may require additional time.

Additions or Changes: Orders placed for 5-day lead-times are produced immediately and no changes or cancellations can be made. On extended lead-time orders, a written request must be submitted to add, or make changes to an order. This may affect your shipping date. Charges for changes or additions may apply as follows:

20 or more working days before shipping date No Charge 15 - 19 working days before shipping date 20% of Order Value 70% of Order Value 5 - 15 working days before shipping date < 5 working days before shipping date Not Available

#### SHIPPING

Shipping Charges: List prices include freight to any point within the contiguous 48 states. For orders shipped to locations outside of the continental US freight is included only to the port of embarkation. Most products are shipped knocked-down. Easy assembly - no tools required. There will be a temporary freight surcharge of 4% added to all orders

Specialty Shipping: For an additional charge, you can request fully assembled product palletted or inside on-site delivery. Request a quote from: orders@cramerinc.com

Claims for Damage During Shipping: Cramer uses freight carrier approved packaging materials and carefully packages all products. When your order arrives, please examine each item and note damages or shortages on your delivery receipt. If the shipping box is damaged, note this also. If you discover damage that was concealed, you must report it to the freight carrier and Cramer within 5 business days of delivery.

Returns: All products are built to order. Products may be returned only with Cramer approval. You must put your RA (return authorization) number on the outside of any returned package. Returned goods will be subject to a restocking charge and Cramer reserves the right to deny credit for any damages.

Standard Terms of Sale: 1% 10 days or net 30 days from the date of invoice. Credit approval required. Orders may require a down payment.

#### **PRODUCT DESIGN**

Cramer reserves the right to make changes in design and construction or discontinue products without prior notice. All dimensions are to be considered approximate. Weights shown are chair alone and do not include optional accessories.

Prices are subject to change without notice.

#### **CRAMER QUALITY ASSURANCE**

All Cramer products\* meet or exceeds specifications, standards and test requirements for ANSI/BIFMA X5.1-2017; meet NSTA shipping requirements; meet California Technical Bulletins 117.

#### WARRANTY

This warranty applies only to products used under normal conditions by the original purchaser. Warranties do not apply to damage from neglect, abuse, normal wear and tear, or to products that have been modified by the user. Cramer supplied replacement parts must be used to retain warranty coverage.

Fabric, foam assembly and arm pads are warrantied for three (3) years. The polyurethane skin and foam assembly on R+ and i+ products are warranted for five (5) years.

Labor charges for repairs performed outside of the factory, or for installation of replacement parts, are the responsibility of the purchaser.

Cramer's liability is limited to repair or replacement, at Cramer's option, and cannot exceed the original invoice price. Cramer is not liable for incidental or consequential damage arising in connection with the sale, use or serviceability of Cramer products. Repairs or replacements do not carry a warranty or extend the original warranty period.

For questions about our warranty, please call Customer Care at 1.800.366.6700 or email us at support@cramerinc.com

\* This does not include the Citrus line

# **HELIX**<sup>®</sup>

Meet Helix, the future of modern lab and caregiver seating. Its patent-pending Frameless Back<sup>™</sup> hugs the user, providing total support and unmatched freedom of motion. Its i+<sup>™</sup> Polyurethane seamless seat and back cushions are perfect for clean environments, and the organic form and optional color accents bring a modern sensibility to progressive healthcare and lab facilities. Whether you twist, relax, focus or reach - Helix is there to support you.

#### SPECIFICATIONS

#### FEATURES

- Patent-pending Frameless Back™ adapts organically to the user, providing exceptional freedom of motion and comfort
- One-touch adjustment ensures a fast, personal fit for multiple users
- Seamless i+<sup>™</sup> Polyurethane cushions resist contaminants and will withstand hospital cleaning agents
- Streamlined form minimizes the visual impact and doesn't interrupt sightlines
- Meets BIFMA Healthcare Furniture Cleanability Guidelines HCF 8.1-2019
- ISO-Class 4 cleanroom rated
- 300lb weight capacity
- SCS Indoor Advantage Gold Certification and may help contribute toward LEED certification

#### CONSTRUCTION

- i+<sup>™</sup> Polyurethane seat and back
- Advanced thermoplastic elastomer flexing upright
- Heavy-duty formed steel mechanism
- Resilient glass fiber support spring
- 25.25" durable nylon base
- Class 4 pneumatic cylinder

#### **OPTIONS**

- High-performance twist-lock flat surface black footring 20". Footring is only available on high-height
- Casters: multi-surface dual wheel is standard. Non-rolling glides and braking casters are also available
- Desk and high-height with desk to counter option
- Available in five colors: Slate (dark grey), Stone (light grey), Citrine (yellow), Aquamarine (blue), Coral
- Fixed arm option available

# CITRUS™

Simple, fresh, and clean modern design. Citrus<sup>™</sup> is a seating solution for lab and healthcare environments that doesn't force you to choose between style and performance. Its Flex Function<sup>™</sup> back and waterfall edge seat auto-adjust to individual users, while its one-touch height adjustment allows for easy sanitation.

#### SPECIFICATIONS

#### FEATURES

- Flex Function back and forward edge seat adapt and auto-adjust to individual user movements and support perching or sitting postures
- One-touch height adjustment-is the only user-made adjustment necessary
- Minimal joint hygienic design for easy cleaning and disinfection
- Meets BIFMA Healthcare Furniture Cleanability Guidelines HCF 8.1-2019
- ISO-Class 3 cleanroom rated
- 300lb weight capacity
- SCS Indoor Advantage Gold Certification and may help contribute toward LEED certification

#### CONSTRUCTION

- Simple design and minimalist construction with few moving parts
- Robust polypropylene backrest for improved flexibility and strength
- Plush synthetic leather or durable integral skin foam seat with anti-bacterial properties
- Class 4 pneumatic cylinder

#### **OPTIONS**

- Casters: multi-surface dual wheel is standard. Other caster options are also available
- High-performance twist-lock flat surface chrome footring. Footrings are only available on high-height stools
- Desk and high height with desk to counter option
- 25.25" durable nylon or polished aluminum base
- Fixed arms option available
- Available in five colors or ESD: Anthracite\* (gray), Sky\* (blue), White\*, Orange, Lime (green), and Onyx (black - ESD only).
   \*5 day lead time on Anthracite (gray), Sky (blue), and White; Extended lead time for Orange and Lime.

# **TRITON® TRITON® R+**

Triton chairs have been engineered and built to withstand demanding Med-Tech environments and 24/7 usage. Triton and Triton R+ feature carbon steel frames, metal-to-metal assembly and come with a 15-year performance guarantee. This highly engineered construction delivers reliable performance and cleanability day after day.

#### SPECIFICATIONS

#### FEATURES

- Heavy-duty steel seat and back guarantee multi-shift durability
- Contoured molded seat with waterfall edge ensures 24-hour comfort
- Dynamic range of adjustments support the full range of seated postures from active forward-leaning to recline
- Supports up to 350 lbs
- 15-Year, Three-Shift Warranty
- All metal construction
- SCS Indoor Advantage Gold Certification and may help contribute toward LEED certification
- ISO Class 5 Cleanroom (Fed Std 209 Class 100)

#### CONSTRUCTION

- 27.50" die-cast painted aluminum base
- 16-gauge steel seat pan
- 16-gauge pressed steel inner back plate with an 18-gauge outer shell
- Integrated steel arm structure with metal-to-metal connections eliminates points of failure
- High resiliency 3" thick seat foam with a density of 2.4 lbs. per cubic foot
- Class 4 pneumatic cylinder: 1.12" diameter with a 17-4 taper top end for maximum strength
- · Heat-bonded powder coat finish

#### **OPTIONS**

R+

- Arms: an intensive use fixed arm option, an adjustable arm option, or a fully articulating arm option
- Casters: multi-surface dual wheel is standard. A variety of other casters are also available
- High-performance twist-lock footrings on stool heights: Flat surface black 20" is standard. Flat surface chrome 20" is also available
- Desk, mid, desk-to-counter, and high heights
- 27.75" polished aluminum base

foam provides a comfortable seat

• Textured surface prevents slipping

Ross Flex rating of 150,000 flexes

with bleach or ethanol

• When Q option for ESD is added, will meet ESD STM12.1 - 2019

• Patented Rhino Plus combination of polyurethane and molded

• Resists punctures, tears and virtually all spills; and cleans easily

• R+ properties: tear strength of 17.7 kgF, puncture resistance of 9.9 kgF, stretch of 660%, abrasion resistance of 25,000 and a

## WARRANTY CLAIMS

#### WARRANTY CLAIM REQUIREMENTS

For warranty claims, contact Customer Care at support@cramerinc.com or 1.800.366.6700. For the fastest service, have the following information ready:

1.) CO# / SO#

- 2.) Explanation of the issue
- 3.) Pictures
- 4.) Contact info (name, phone, email)
- 5.) Mailing address for replacmeent parts

This warranty is in lieu of other warranties expressly stated or implied.

## **Cramer ESD**

#### CRAMER CHAIRS CONTROL STATIC ELECTRICITY

Cramer ESD chairs are designed to meet the ESD Association standard test method for the Protection of Electrostatic Discharge Susceptible Items-Seating-Restive Measurement standard ESD STM 12.1-2019. This includes testing of the seat, backrest, rear of backrest, armest (if applicable) and base. Models require an upholstered outer back option to comply with ESD standard STM12.1-2019.

The chair frame, from the back to the base, is electrically conductive to ensure static charges will be dissipated through the upholstery and the chair frame to floor grounds. Conductive casters and glides available in black only.

Upholstery is ESD vinyl, conductive R+ or 100% nylon fabric material specially woven with conductive fibers and backcoated with a conductive medium. Special conductive materials are installed in contact with the upholstery materials and the chair frame, ensuring immediate dissipation of static charges. Prior to shipment, Cramer tests each ESD chair for conductive quality.

ESD option includes chrome footring, polished aluminum base, chrome barrel, limited caster options #2 dual wheel caster or #3 glide options and upholstered outer back.

To order ESD use option code "Q".

**Cramer Fire Code** 

TB 117

Cramer chairs pass TB117\*. Components used in seating, such as foam and fabric are tested individually for flammability characteristics. This is a minimum standard for all furniture offered for sale in California. Cramer is not responsible for Customers Own Material (COM) upholstery fire code compliance.

\*Does not apply to Helix, Rhino Basic, Rhino Basic Round Stool, Rhino Basic Sit Stand

## Cramer Cleanroom

Cramer cleanroom chairs are designed for minimal particulate contribution as certified by tests conducted in accordance with ASTM F25-68, ISO 14644-2-2015 and SAE ARP734A. Air introduced into the test chamber is filtered through 99.99% effective, .5 micron filters. The test chamber is subject to simulated usage by depressing the cushions while a discrete-particle counter records the particulate count. Cramer offers Cleanroom seating products manufactured to meet FED STD 209E (ISO/TC209) in Class 10 and 100 / ISO 14644-1-2015 Class 4 and 5.

ISO Class 3 (Fed Std 209e Class 1) Citrus

ISO Class 4 (Fed Std 209e Class 10) Helix, Rhino Basic Chair, Rhino Basic Sit / Stand, Rhino Basic Round Stool (will not meet Class 10 if arm option "B" or "T" is ordered)

ISO Class 5 (Fed Std 209e Class 100)

Triton, Triton R+, Triton Max

Fusion, Fusion R+, Fusion Fit, Fusion Fit R+, Fusion Round Stool, Fusion Round Stool R+

All exposed metal frame components are chrome plated or powder epoxy coated. To prevent present and future contamination, all footrings are sealed with MIG-welds. Seat heights are achieved by sealed, contaminate-free pneumatic cylinders.

Components, such as upholstered seats and backs, are protected from contamination during shipment in sealed plastic bags. Cleanroom chairs are labeled with instructions for unpacking in a cleanroom prep area.

### Cramer & the Environment

Corporate and environmental stewardship are priorities at Cramer. It is part of our mission statement, evident in every chair and stool in our seating product line, and recognized by SCS Gold certifications.

#### ENVIRONMENTAL STEWARDSHIP

We are committed to conduct business in a manner that protects our natural environment and embraces the principals of sustainability and environmental stewardship. We continue to invest in better materials, methods and manufacturing practices to enhance sustainability and care of the environment.

#### SCS GOLD CERTIFICATION

The entire line of Cramer seating products is SCS Indoor Advantage™ Gold Certified in North America. The criteria for achieving this industry environmental standard are established by BIFMA and US Green Building Council.
